Hello Parents, Caregivers, and Family Members!

This little blurb is to tell you more about myself without taking time away from the children and their fantasy of meeting a real life mermaid. My “human” name is Toni Veteri-Muntz and besides wearing a mermaid tail, I happily wear many “hats”!

- ❖ I am an educator- specifically, a special education teacher. I have been teaching children in grades K through 12 of all different ability levels for over 17 years.
- ❖ I am dual-certified in special education as well as elementary education.
- ❖ I am a licensed Board Certified Behavior Analyst (BCBA), which I earned in 2016.
- ❖ I am a wife and mother to my two beautiful children: my 3-year old daughter and my 6-year old son.
- ❖ I have loved mermaids since I was a child and once I discovered swimmable mermaid tails as an adult, I wanted to combine my love of mermaids, literacy, and children. As a result, I created Mermaids & Me, LLC!
- ❖ Mermaids & Me, LLC gives me the freedom to be creative while spending time with children. Everybody needs a mermaid! I am happy to make appearances at birthday parties, community events,... plan and run story times and crafts for children,... educate children on self-advocacy, emotional regulation, and celebrating our differences while also coming together as a community of neighbors who are kind to each other.
- ❖ Please feel free to contact me if you have any ideas or questions and I am happy to work with you to see if I would be a good fit for what you are looking for in an event or party.
